Bring Your Own Device Agreement and Procedures
Student, Educator & Staff**

Bring Your Own Device (BYOD)

Any network user who brings his/her own personal device onto school property is required to sign and adhere to the Acceptable Use Policy (AUP) and sign a copy of the Mobile Device Agreement and Procedures Agreement.

Anyone that brings a personal mobile device to school is doing so at their own risk and the school will not be held responsible if an item is lost, stolen or misplaced. The school is not responsible for the security of the device.

Virus protection is mandatory on computers before a user is allowed on the network.

No gaming devices are allowed.

All personal devices brought on campus must follow the same policies and procedures as any district owned device.

The school reserves the right to inspect a personal device if there is reason to believe that Board policies, administrative procedures, or school rules have been violated or the user has engaged in other misconduct while using their personal device.

Violations of any Board policies, administrative procedures or school rules involving a student's personally owned device may result in the loss of use of the device in school and/or disciplinary action.

BYOD is a privilege and should be used for school purposes. It is the principal's discretion to allow the use of the device on school property and it is the teacher's discretion to allow the use of the device in his/her classroom.

Users may not use the devices to record, transmit or post photos or video of a person or persons on campus. Nor can any images or video recorded at school be transmitted or posted at any time without the express permission of a teacher or administrator.

Use of personal 3G, 4G, or other wireless connection is not allowed at any time.

The district Technology Department is not responsible for maintenance or repair, software, or upgrades of any personal device. Student misuse of personal devices will be disciplined according to the Cell Phone Policy 6.312 and the school student handbook.

I agree to abide by all Policy and Procedures regarding BYOD. I understand and will abide by the above policy and guidelines. I further understand that any violation of the above may result in the loss of my network and/or device privileges as well as other disciplinary action.
