

BELIEF STATEMENTS OF ELLEN MYERS PRIMARY SCHOOL

1. All students can learn.
2. Students learn using differentiated instructional strategies which should be employed to support their accumulative learning.
3. Students should be taught the relevance of acquired knowledge and skills to real-life situations.
4. All students should have positive experiences at school.
5. The school should be a clean, safe, and attractive facility.
6. The school should maintain high standards for both students and staff.
7. Assessment strategies should provide a variety of opportunities for students to demonstrate achievement.
8. Education should be the shared responsibility of students, staff, parents, and the community.
