

FIELD TRIPS

Curriculum-related field trips may be planned to various points of interest in this area. Parents are asked to sign permission forms and return them to school in advance of the trip—many trips will have cut-off dates for the permission slips to be returned because of arranging for tickets, transportations, etc. No student is allowed to leave the school campus without written permission, and no calls will be made to obtain verbal permission.

Parents may be asked to contribute an amount to cover the cost of their child's admission/transportation on field trips; however, no child will be denied a trip for financial reasons. Students may, however, be denied permission to go on a trip because of severe/persistent behavior problems.
