Dear Parents/Guardians and Students:

Welcome to Ellen Myers Primary. The faculty and staff join me in saying we're happy to have you as part of the Ellen Myers School family. We look forward to a successful and enjoyable year.

This handbook outlines policies and procedures that will help us provide an orderly and secure learning environment. Please read the following information carefully. The Home-Student-School Compact, Media Permission Form, and The Parent Responsibility Statement located on the last pages of the handbook must be signed and returned. If you have any questions about anything contained in this handbook, please do not hesitate to call the school for clarification.

We encourage you to be actively involved in your child's education. There are orientation meetings, parent-teacher conferences, family literacy nights, special events, and P.T.O. meetings that will help you stay informed about your child's educational progress and events at the school. A school newsletter is sent out twice a month to advise parents of activities and programs. Our school website may be accessed at <http://claibornecountyschools.com/ellenmyers>.

It takes a community of people—school staff, parents, and community members—to provide the best educational opportunities for our students. We welcome your participation and support this school year.

Sincerely,

Karen Fultz
Principal
