

5th & 6th Grade
Midway Elementary School
2022-2023 Supply Lists

Helpful suggestions - each binder will need a pencil bag that will stay in the binder with supplies the student will need for each class. (pencils, erasers, highlighters, dry erase markers, index cards, etc.) Due to locker space pencil boxes are not useful. Buying one big binder for all subjects doesn't work. For organizational purposes, it is more effective to have separate binders for each subject. Try choosing a different color for each binder. Due to classroom space, backpacks must stay in the locker. Please do not purchase locks for lockers. Students WILL NOT be allowed to put a lock on their locker.

*****All students will need a pair of tennis shoes for gym class. Crocs, Hey Dudes, flip flops, or slides are not considered tennis shoes. Tennis shoes are required for safety purposes>**
