

Claiborne County Schools

October 2017

Dear Parent/Guardian:

The Claiborne County School District (students in grades 3-12) is participating in the Tennessee School Climate Survey. The survey is sponsored by the Tennessee Department of Education as part of a larger initiative to enhance school support for students, increase school safety, and provide a positive learning environment. You may view the survey for your child's grade level on the Claiborne County Board of Education Website, Parent Involvement Page. The survey administration dates are between October 23 and November 3, 2017.

If you DO NOT wish for your child to participate in the anonymous survey at school, complete this form, sign, and return it to your child's teacher by October 12, 2017.
