

Response to Intervention (RTI²) Parent Letter
Tier 2 to Tier 3
K-8 Math

Student: _____
Date: _____

Dear Parent,

Three times a year, each student is given a universal screening assessment *AimsWeb* to determine his or her math abilities. Your child's scores show that he/she continues to struggle with math. Along with the universal screening, your child's progress has been monitored every two weeks or more. Although your child is receiving direct math instruction daily in Tier 1, and an additional 20-30 minutes of small group interventions in Tier 2, he/she has still not shown enough improvement.

Your child will now be receiving an additional 40-60 minutes of Tier 3 math interventions each day. This Tier 3 instruction will be done in very small groups with trained personnel using research based materials. Your child's progress will continue to be monitored. Additional assessments may be completed in order to inform instruction and intervention. It is our goal to provide the best instruction and materials to help your child succeed

We encourage you to look at your child's math work regularly. Be sure to encourage your child to do his/her best and let them know you believe in his or her ability to improve. If you have questions or would like more information please contact your child's teacher.

Respectfully,

NAME

K-8 Math Interventionist

Please note:

Tier 1 means daily classroom instruction.

Tier 2 means additional support in a particular area of difficulty relating to Math or English Language Arts. It is usually 30 minutes a day.

Tier 3 means more intensive support in a particular area of difficulty relating to Math or English Language Arts. It is usually 60 minutes a day.
